

1/2 Doug and Darlene Peters, Oviedo, FL: "Praise the Lord that we completed 52 years of ministry with HCJB Global (now Reach Beyond) in December. **Pray** as we continue serving in retirement, contacting donors, proofreading articles for publications and communicating with retired and soon-to-retire staff members. **Pray** for healing as Doug recently had colon surgery to remove a cancerous tumor. **Pray** as he undergoes oral chemotherapy as a preventive measure."

3 Praise God that Adeline McCartney was able to attend a "training of trainers" course in the U.K. in January. **Pray** as she returns to Ghana to continue her ministry in community development and clean-water projects.

4 Uphold engineer Mike Axman at the HCJB Global Technology Center in Elkhart, IN, as he tests and troubleshoots a prototype of the next generation of solar-powered, fixed-tuned SonSet® radios. **Pray** that remaining technical issues would be resolved quickly so production could begin.

5 On this missionwide **Day of Prayer and Praise**, **pray** for wisdom as mission leaders consider how to help partners in increasingly dangerous areas such as North Africa, Central Asia and other parts of the Asia Pacific Region. **Pray** for God's protection of staff members, their families and local partners.

6 **Pray** as the Sub-Saharan Africa Regional Office in Accra, Ghana, moves to a new facility. **Uphold** David and Sharon Kealy who are in the country with a work team from a local church to remodel the building.

7 Praise God for the increasing number of comments coming from shortwave radio listeners in South and Southeast Asia. Christian programming in about 20 languages is broadcast to this area. The programs air from Reach Beyond-Australia's international broadcast facility in Kununurra.

8/9 Brent & Shelley Weeks, Melbourne, Australia: "Pray for Brent and the technical team as they select various technologies to improve and expand the radio broadcasts. **Pray** as Shelley and the programming team seek to improve the quality and flow of the radio programs. **Pray** for our family to develop strong friendships as we start our second year of living in Australia. **Pray** as our son Nelson begins new, challenging courses in high school." Brent serves as broadcast engineer/studio manager; Shelley is the technical producer. *L-R: Shelley, Malcolm, Brent, Nelson*

10 **Pray** as a radio production workshop begins this week with the indigenous Aché people group in eastern Paraguay. This training is taking place in partnership with In Touch Ministries.

11 Remember Andrew and Laura Rescorla as they are studying at Mission Training International (MTI) near Colorado Springs, CO, for a month. This is in preparation for two years of service in Ghana, helping in community development.

12 Continue to **pray** as Croatian partners work to open an Internet radio station and ultimately an FM station in the country. **Pray** as staff members take training to use software developed by a volunteer.

13 Praise the Lord that Cody Hall is safely back at the HCJB Global Technology Center after traveling to Malawi to help install two clean-water wells. Give **thanks** that this went very smoothly.

14 Praise God that partner Inspiracom (formerly World Radio Network) launched FM station KVFE in Del Rio, TX, last month, 15 years after first applying for the broadcasting license. The station, airing Spanish programming, has a potential audience of 200,000 listeners on both sides of the U.S.-Mexican border.

15/16 Alan & Sarah Good, Elkhart, IN: "Pray that Alan would be effective in his work helping ministry partners worldwide. **Uphold** Sarah as she teaches English as a second language to adults. **Pray** also for new prayer and financial partners to join our support team." Alan serves as a broadcast services consultant at the HCJB Global Technology Center; Sarah is the SonSet® radio coordinator.

17 **Pray** as Kazuo Ozaki continues to produce Japanese radio programs that are heard by listeners in Japan via shortwave and online. **Ask** that listeners would open their hearts to God and begin attending evangelical churches in response to the broadcasts.

18 **Pray** as a mobile phone app is developed for the mission's English-learning ministry and the website is redesigned. **Pray** for designers to be inspired so the app and website would be effective outreach tools. **Pray** for another 100 volunteers to help as Internet-based conversation club leaders.

19 Praise the Lord for the new studio and 2,000-watt transmitter station recently installed with a partner ministry in Niamey, Niger. **Pray** that the equipment would provide many years of service.

20 Praise God that the Reach Beyond-UK office has a number of candidates considering missionary service. **Uphold** Ruth Harrison and Iris Rhodes as they process these applications. Potential missionaries include personnel from other organizations who could serve on loan in Reach Beyond's regions.

21 **Pray** as staff take part in National Religious Broadcasters in Nashville, TN, Feb. 22-25. **Pray** that attendees would catch the mission's vision for global media and healthcare ministries as Wayne Pederson speaks at Monday's radio station breakfast, debuts his new book, *Reach Beyond*, and speaks at Tuesday's international luncheon.

22/23 Ty & Paula Stakes: “**Pray** for continued unity and joy among Asia Pacific team members and indigenous partners as we serve together to take the gospel to unreached and hard-to-reach places in Asia. **Pray** that the Lord would bring us into contact with leaders and open new doors for radio planting in India, Bangladesh and Myanmar. **Pray** for God’s strength and guidance as our sons, Tyson and Ryan, living in the U.S., grow and mature in their faith.” Ty serves as executive director of the Asia Pacific Region.

24 **Pray** for all the details to fall into place for the final sale of Daniel and Françoise Dossmann’s home in France and their upcoming move to join their son and his family in Tennessee. **Pray** for peace and that they would leave France well, looking forward to continued ministry in French from the U.S.

25 **Pray** as Apoyo Director Américo Saavedra and Dave Johnson are in Huanacayo, Peru, for the second time to meet with 40 pastoral leaders Feb. 25-28. They are facilitating the last modules of Development Associates International’s leadership course. **Pray** for the Holy Spirit’s working in the hearts and minds of all who participate.

26 **Pray** for open doors for radio partners at GMTA in India to continue producing radio programs that air during holidays and throughout the year on government networks. **Praise** the Lord for the good response to the program, “Beyond Words,” that is broadcast on All India Radio every Saturday.

27 Give **thanks** for ministry advances at Wandering Sheep Productions in New Zealand. **Pray** for the right people to join the team as full-time missionaries. **Pray** also for creativity and wisdom in seeking the right strategies and methods to reach out to the Internet generation.

28 **Pray** as the executive director of the Europe/Eurasia Region meets with partners from a key ministry from a restrictive country in Central Asia. **Pray** as he makes decisions that affect this important outreach. **Pray** for team members to be safe, free to produce quality programming and interact with seekers online.

170+ INTERNATIONAL DELEGATES ATTEND WATER CONFERENCE IN QUITO

Praise the Lord for the 7th International Perspective on Water Resources and the Environment (IPWE 2014) conference in Quito Jan. 8-10, attended by more than 170 participants from 22 countries. The event was sponsored jointly by the American Society of Civil Engineers and *Ingenieros Civiles del Ecuador*.

Reach Beyond’s Vozandes Community Development department helped facilitate some key aspects of the event, held in the Americas for the first time. Staff members from community development in Ecuador and the HCJB Global Technology Center in Elkhart, IN, also presented a number of technical papers on applicable areas of ministry. Others helped provide translation.

Give **thanks** that the event provided valuable learning and networking opportunities for the mission’s community development team. **Praise** God that a small group of participants also visited some of Reach Beyond’s clean-water projects in rural Ecuador.

PARTNER IN GUINEA-BISSAU OVERCOMES CHALLENGES TO LAUNCH STATION

Praise God that a radio station installed with a local partner in Gabu, Guinea-Bissau, went on the air in January after a 4½-year process. The partner overcame many initial challenges, then a coup in the country followed by problems with transporting the equipment, new government regulations and a delay in receiving permission to broadcast.

19 RADIO STATIONS PLANTED IN ASIA PACIFIC REGION IN 2013

Praise God that the Asia Pacific team planted 19 FM radio stations, conducted 23 training events and upgraded nine media outlets in 2013. **Praise** Him for His abundant provision and strength for each team member involved in the work. We are truly amazed by His grace.

RADIO STATION GOES ON THE AIR AT PARTNER HOSPITAL IN REP. OF CONGO

Praise God that *Radio Sango Kitoko* (Beautiful News Radio), the station connected with Pioneer Christian Hospital in Impfondo, Republic of Congo, went on the air in January, fulfilling Dr. Joe Harvey’s longtime dream. **Praise** God for staff members Ed Muehlfelt and Alex who spent two weeks in the country to do the installation and staff training.

OPERATIONS/DEVELOPMENT MANAGER FOUND FOR STATION IN AUSTRALIA

Give **thanks** that Reach Beyond-Australia has found an operations and development manager for the ministry’s international broadcast facility in Kununurra. **Pray** for an excellent transition as Frank and Aly Woods begin their service at the site early this year.

Preview: March

1/2 Jon & Noonie Fugler, Colorado Springs, CO: “**Pray** as Jon leads his team through the renaming process at Reach Beyond (formerly HCJB Global) and that people who hear about the ministry would have a renewed passion to reach the unreached. Also **uphold** Noonie, our children, their spouses and our five grandchildren.” Jon serves as vice president of advancement at the Ministry Service Center.

3 **Pray** for continued open doors to plant radio stations and hold training with partners in Thailand, Nepal and Indonesia. **Praise** God for the work completed on the indigenous-language music project in Nepal. **Pray** for new opportunities in Bangladesh, Myanmar and India.

4 **Pray** that the Lord would provide more opportunities to partner with others to install water pumps in Sub-Saharan Africa like those recently installed in Malawi.

5 On this missionwide **Day of Prayer and Praise**, **pray** as David Russell, director of the HCJB Global Technology Center in Elkhart, IN, works through some challenges regarding a feasibility study. **Pray** about some major organizational changes that could be critical to the center’s long-term sustainability. **Pray** for those missionaries who are chronically underfunded.

6 **Pray** as more than 100,000 refugees from the Democratic Republic of Congo have fled across the border to the Republic of Congo in the area where partner Dr. Joe Harvey operates Pioneer Christian Hospital in Impfondo.

7 **Thank** God for a pledge from one of Steve and Lisa Balzer’s supporting churches in Canada to sponsor a new radio station installation and training in Asia Pacific.

Photo of the Month

Praise the Lord for the completion of the birthing clinic in a remote town of Nepal where Reach Beyond also has a partner radio station. The facility, built with the mission’s help, was dedicated in late 2013. **Above:** Gabriella Egberth, a midwife from Reach Beyond-Sweden, explains delivery techniques using a birthing mannequin during three days of training at the new center with 16 local health workers. Also helping with the event were nurse Sheila Leech (vice president of international healthcare) and Dr. Tracy Martin.
