Week 1:	FEBRUARY 1-2 – PRAY FOR MINISTRIES IN SUB-SAHARAN AFRICA
тни 1	PRAY for Wim and Alfred as they prepare to present at a missions conference for pastors in West Africa. Pray for Wim as he speaks on the topic of visionary missions. Many of the pastors who will be at the conference face opposition from Islamic groups in their region. Ask God to grant them grace, courage, and protection as they take part in the Great Commission.
FRI 2	PRAY for our regional team as they hold four online virtual radio training sessions this month that focus on the basics of running a station, including financial and systems management. Some of the presenters are graduates of the Training of Trainers course taught by Allen last fall. Pray that God would use this training to help stations grow their ministry and become more self-sustaining.
SAT & SUN 3-4	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Susu Country: Guinea Population: 2,429,000 Language: Susu Main Religion: Islam Evangelical: 0.02% The Susu people are descendents of the Mali Empire who migrated south to the lush mountainous region of tropical West Africa. A holy war in 1725 drove them to their present homeland. Today, most work as farmers primarily growing rice and grains as well as pineapples, mangoes, and coconuts. Many boys and young men have begun moving to urban areas seeking more opportunities. Sadly, few find work in the cities. The Susu converted to Islam in the 13th century, and it remains a very integral part of their culture and practices. While many Susu have had exposure to Christianity, very few have responded to it. Ask God to open their hearts to the Gospel. Pray that local believers will actively seek to share the truth with their Susu neighbors.
Week 2:	FEBRUARY 5-9 – PRAY FOR REACH BEYOND MISSIONARIES AND STAFF
мо н 5	PRAY for God to bring peace, security, and stability back to Ecuador. Ask God to give wisdom to Ecuadorian authorities as they seek solutions. Pray that many people would discover the hope and peace that is found through Jesus. Pray that God would continue to protect our missionaries, staff, and ministry partners serving throughout Ecuador.

WED 7	PRAY for Bill as he continues to recover from his knee surgery last month. Praise God that the surgery went well and for the progress that's been made through rehabilitation therapy. Ask God to completely restore the use of his knee.
тни 8	PRAY for Reach Beyond missionaries as they travel. Ask God to give them good health and protection wherever they go. Pray also for their families while they are gone. Ask God to grant them an extra measure of grace each day.
FRI 9	PRAY for our missionaries with growing families and the many challenges they face. Pray that God would strengthen each family and help them focus on Christ in all things. Pray for missionary kids who are entering new stages of life. Ask for God's blessings and grace as they navigate new friendships, schools, languages, and cultures.
SAT & SUN 10-11	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS She Country: China Population: 660,000 Language: Hakka, She Main Religion: Ethnic Religions Evangelical: 0.12% Music is very important to the She people, one of China's officially recognized minorities. The She often sing while they tend their fields. When a guest visits a village, they will ask the visitor to sing a song. The She once inhabited nearby fertile lowlands, but harassment and exploitation have since pushed them into the mountains. Today, most She speak Hakka instead of their traditional tongue. Many also speak Cantonese, Min, or Mandarin. Most She practice a fusion of Daoism and ancestor worship, relying on folk songs to preserve their beliefs. Catholic missionaries worked among the She in the late 19th century, but little of their efforts remain. Pray that God would raise up laborers and give local believers the passion to reach the She. Pray that the She will respond to the Gospel and sing a new song of hope and joy to the Lord.
