

JOIN US IN PRAYER – NOVEMBER 2026

Week 1: NOVEMBER 2-6 – PRAY FOR MINISTRIES IN SUB-SAHARAN AFRICA	
MON 2	PRAISE God for opportunities to share Jesus with unreached people in hard-to-reach places. One of our church-planting partners in West Africa wrote, “I would like to take a moment to truly thank you for these MP3 players that will greatly help us in the field. Thanks to these 100 players, we can reach more than 500 people who cannot read but will hear the Word of God in their mother tongue. May the Lord bless you and help us to multiply these talents you have given us.”
TUE 3	PRAY for our community development team as we partner with Others International in Ghana to provide training to several ministries on the installation, repair, and maintenance of a common type of water hand pump. The hands-on course begins today and runs through Monday, November 9th.
WED 4	PRAY for the planning of upgrades to three studios that are used to record programs in languages spoken in the Horn of Africa. This is a project that we are having to do remotely, so we are trusting God to bring all the pieces together in His timing.
THU 5	PRAY for the online training course that we are providing later this month to radio stations in the Democratic Republic of Congo. While we like to give in-person training whenever possible, it isn't possible in many parts of the country due to travel insecurity.
FRI 6	PRAY for a needed studio upgrade in one of the really tough countries in Africa's Sahel region. This is not a place that we can travel to, so we are depending on the Lord to make a way for that project. This studio produces Christian programs that are broadcast by many stations in an area where operating a Christian radio station just isn't possible yet.
SAT & SUN 7-8	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Sakalava Country: Madagascar Population: 2,298,000 Language: Sakalava Main Religion: Ethnic Religions Evangelical: 0.1-2.0% The Sakalava are semi-nomadic cattle ranchers, fishermen, and rice farmers who live on the west coast of Madagascar. The Sakalava were known for their seafaring skills and were the first to receive firearms from the Europeans in exchange for cattle and slaves. During the 18th and 19th centuries, they captured slaves from Madagascar and East Africa. Sakalava culture revolves around the respect and honor of their royalty, both living and dead. They believe that their ancestors live on a nearby sacred island. The Sakalava believe in a remote creator god, who can be reached through ancestral spirits and human mediums. Spirit possession is sought after, and witchcraft and sorcery are widely practiced. Pray that God would open their eyes to see Jesus—who conquered death and offers them freedom from all of the taboos and fears that rule their daily life. Pray that the Sakalava will find new life through Christ.
Week 2: NOVEMBER 9-13 – PRAY FOR THE MINISTRIES OF HCJB ECUADOR	
MON 9	PRAISE God for the 80 pastors who recently gathered at HCJB Ecuador for a time of fellowship, coffee, and a special training session. The workshop was designed to help equip them in empowering young people to use new technologies to share the Gospel and expand their church ministries.
TUE 10	PRAY for the grand opening today of HCJB Ecuador's new history exhibit that celebrates 95 years of “Heralding Christ Jesus' Blessings” by highlighting stories of faith, obedience, and innovation. Pray for each person who will visit the exhibit in the months to come, that they will not just look at our past, but realize that God is alive and that He continues to write His story through the ministries of HCJB and in the lives of those we serve.
WED 11	PRAISE God for the impact that HCJB is having in the lives of its listeners. María says: “Good afternoon, HCJB family. You have changed my life, with God's blessing. Thank you—I am immensely grateful. You have lifted me up many times, and you continue to do so. You are a mission that changes lives.”
THU 12	PRAY for the Quito Day concerts taking place at the Sucre Theater on November 27-28. The program celebrates the founding of Quito in 1534, the 95th anniversary of HCJB, and the birth of our Savior. Pray for the Vozandes Choir, musicians, soloists, and presenters, as they perform traditional Ecuadorian songs, sacred Christmas music, and share the Gospel message.
FRI 13	PRAY for HCJB Ecuador's annual shareathon “Misión Compartida” or “Shared Mission” for the station in Quito as it starts today and runs through this weekend. Pray that God will continue to provide the funding they need, and that they will exceed this year's goal of \$650,000. Pray too for Radio HCJB2 in Guayaquil as they also have their shareathon this month. Praise God for the many listeners and donors who have joined in these ministries through their faithful giving.
SAT & SUN 14-15	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Gadaria Country: India Population: 7,132,000 Language: Hindi Main Religion: Hindu Evangelical: 0-0.1% The Gadaria were named for their traditional occupation as shepherds of sheep. While some Gadaria continue to raise goats and cattle for milk, most are hardworking day laborers in construction and masonry work. Few Gadaria are able to read and write, so they rely on Brahmin priests to conduct rites of passage and teach traditions. There are no known Gadaria followers of Jesus. Pray that they would hear the Good News of Jesus through radio. Pray that believers in India would reach out to them so they would be able to hear the Gospel in person or watch the story of Jesus. Pray that the Gadaria would choose to follow the Good Shepherd who loves them and longs to care for them, not just as His sheep, but as His children.

Week 3:	NOVEMBER 16-20 – PRAY FOR MINISTRIES IN EUROPE/EURASIA
MON 16	PRAY for our partner OneHeart as they share Jesus while serving refugees in Athens through medical clinics, food distribution, community events, and development projects, and lead a Farsi-speaking church. Give thanks for a short-term team from Reach Beyond UK that has been serving there this past week. Pray that God will continue to use them to make Jesus known.
TUE 17	PRAISE God for rural medicine mentoring and training that has been taking place in a Gospel-restrictive country. Give thanks for the visiting doctors from the U.S. who have been going to rural, isolated villages and serving alongside mid-level providers and doctors. Pray that relationships that have been built, and the seeds which have been planted, will bear fruit in God's kingdom.
WED 18	PRAY for the media ministry project we're developing with a partner in Azerbaijan. We are working with a pastor and his church who want to use video and social media to extend their evangelistic reach across the country. Give thanks that we were able to give a second media training workshop last month to twenty Azerbaijani believers.
THU 19	PRAISE God for the good participation in a marriage and family course that is being taught by two of our doctors through their church in a Gospel-restrictive country. Ask God to give them wisdom in knowing whether to add more sessions. Believers in this place are sometimes cut off from their own family relationships, so a healthy church community is really important for them.
FRI 20	PRAISE God for the opportunity that Martin and Ruth had to speak at a church and participate in the Global Medical Missions Conference last week. Pray that God would send out many workers into the harvest. Ask God to send us missionaries to serve alongside us as we both proclaim and demonstrate the Good News of Jesus to people who are in need of the Savior.
SAT & SUN 21-22	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Hazara Country: Afghanistan Population: 3,872,000 Language: Hazaragi Main Religion: Islam Evangelical: 0-0.1% The Hazara are set apart from fellow Afghans by religion and mixed ethnicity, and they have faced persecution and hardships for it. Their traditional homeland lies in central Afghanistan amidst rugged mountains. It is a wildly beautiful, nearly inaccessible region of craggy peaks and rushing rivers called the Hazarajat. Living among a Sunni Muslim majority, they are Shi'ite Muslims. Many believe the Hazara are descendants of Mongol soldiers left behind by Genghis Khan in the 13th century. Their language is unwritten and contains regional dialects of Arabic, Urdu, Mongol, Turkish, and Farsi. Prior to the 19th century, they made up a majority of the Afghan population, but years of persecution have decimated their numbers. Their semi-nomadic life is harsh, and food is usually inadequate. There are no known missionaries currently working among the Hazara. Pray that they would come to know their worth in the Father's eyes.
Week 4:	NOVEMBER 23-27 – PRAY FOR MINISTRIES IN ASIA PACIFIC
MON 23	PRAY for our radio partners as they face many challenges. Pray that they would remain faithful in proclaiming the truth of God's Word through their radio stations. Ask God to provide for the needs of their ministry according to His will as they continue to trust Him. Pray that God will lead, encourage, and strengthen them as they seek to share the Light of the Gospel in their communities.
TUE 24	PRAY for Anita and the new online ministry she has begun for women in her city and beyond. Pray that God would bless her efforts as she seeks to help women in their many roles, as well as help meet their emotional, relational, and spiritual needs.
WED 25	PRAY for our partners in Nepal as they continue to try and keep the Gospel on the air and minister to people who have experienced tremendous loss and suffering from recent tragedies. Ask God to use the Gospel programs to speak directly to their hearts, and that they would find hope and new life through Jesus.
THU 26	PRAISE God for His goodness and provision during this past year. We have much to be thankful for. Praise God for the opportunity we had in Indonesia to give in-person training to radio announcers and equip them with new Bluetooth microphones. Pray for each participant as they apply all they learned to create engaging interviews and programs that help advance the Gospel.
FRI 27	PRAY for our radio partners as they prepare and broadcast special Christmas programs. This season is a unique time of year when the true story of Christmas and the Gospel message can be proclaimed directly and freely. Pray that many listeners will respond to what they hear and choose to accept the greatest gift of all, Jesus, the Savior of the world!
SAT & SUN 28-29	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Shaikh Country: Bangladesh Population: 547,000 Language: Bengali Main Religion: Islam Evangelical: 0-0.1% The Shaikh are descendants of Arab settlers who arrived after the Islamic Sultanate in South Asia was established in 711 AD. Technocrats, bureaucrats, soldiers, traders, scientists, architects, teachers, theologians, and sufis came from the rest of the Arab and Muslim world to this region, where they would settle permanently. The word Shaikh means "elder" or "venerable old man" and is often used as a title to signify wisdom. Shaiks are highly regarded for their business skills, and many work in the public sector. There are very few known Shaikh Christians, and believers can face much persecution. Pray that the Shaikh would discover that God is the source of true wisdom. Pray that they would realize that God knows their every hurt and thought, and that His love for them is greater than they can comprehend. Pray for God to send more believers to demonstrate and share the Gospel with them. Pray that God would move in a mighty way to establish a strong, vibrant, and thriving church among the Shaikh in Bangladesh.
Week 5:	NOVEMBER 30 – PRAY FOR REACH BEYOND MISSIONARIES AND STAFF
MON 30	PRAY for our missionaries, both active and retired, who are in the midst of significant health challenges. Ask God to take away their physical suffering and give them complete healing according to His will. Pray that He would give them strength for each day.
