

JOIN US IN PRAYER – OCTOBER 2026

Week 1:	OCTOBER 1-2 – PRAY FOR REACH BEYOND MISSIONARIES AND STAFF
THU 1	PRAY for Marcos and Mariana Romero as they serve with Inspiracom (formerly World Radio Network) to reach English and Spanish listeners all along the U.S.-Mexico border. Ask God to give Marcos wisdom in his new role as Broadcast Coordinator for all stations in the network. Pray for Mariana as she serves as a Program Director, developing and coordinating programming.
FRI 2	PRAY for each of our missionaries, both active and retired, who are experiencing constant physical pain. Ask God to take away their suffering and give them complete healing. Pray that He would give them comfort and the strength they need for each day.
SAT & SUN 3-4	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Brahmin Country: India Population: 62,115,000 Language: Hindi Main Religion: Hinduism Evangelical: 0.0-0.1% The Brahmins are the highest of all castes in India's society, known for their influence and affluence. They have long been regarded for their performance of Hindu rituals. Most Brahmins perform some daily rituals, though many are now secularists, and few are actually involved in priestly duties. Brahmins place a high value on education, and as a result, many have emigrated to the west. They excel as scholars, educators, doctors, politicians, engineers, and computer programmers. Pray that the Brahmin would seek to discover the one true living God who loves them. Pray for the believers who are producing Hindi radio programs. Pray that God will use them to open eyes, minds, and hearts to the Gospel. Pray that the Brahmin will recognize that Jesus is the only one they should worship, and that He is the Way, the Truth, and the Life, and that no one comes to the Father but through Him.
Week 2:	OCTOBER 5-9 – PRAY FOR MINISTRIES IN EUROPE/EURASIA
MON 5	PRAY for two of our people serving in a Gospel-restrictive country as they give pre-marital support to a local couple who are getting married at the end of this month.
TUE 6	PRAISE God for the great responses from women and young men who have invited our teams of local believers to return and do ministry in their community in a Gospel-restrictive place. Praise God for their excitement and openness to the Gospel!
WED 7	PRAY for two of our doctors who are leading an end-of-life care outreach in a restrictive country. Pray that the team would have opportunities to share the hope we have in Jesus during a difficult phase of life. Praise God for the good relationships they have built with local authorities in that area.
THU 8	PRAY for our Balkan media team as they look at ways to become more financially self-sustainable. Ask God to give them wisdom in each decision. Pray that He would grow the reach and impact of their projects so that many more people would find hope in Jesus.
FRI 9	PRAY for Martin and a short-term team from the United Kingdom as they will be in Greece next week to help partners working among the Roma people. Pray for the team as they teach new skills in textiles, greenhouse construction, and the operation of Trash2Treasure plastic recycling equipment. Pray that these efforts would help our partners better engage Roma people—including men and youth who have been especially difficult to reach with the Gospel.
SAT & SUN 10-11	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Gujar (Muslim traditions) Country: Pakistan Population: 4,688,000 Language: Western Punjabi Main Religion: Islam Evangelical: 0.0-0.1% Invaders brought Islam to the Gujar region of Western India during the 11th century. When neighboring Hindu groups regained control of the region, they pushed out both the invaders and those who had become Muslims. The Gujar combined Islam with some Hindu beliefs and traditions, causing further rejection. They were labeled as an untouchable caste destined for a life of poverty, illiteracy, and social oppression. The Gujar are seasonal nomads who raise buffalo and sheep along with some minimal farming. Pray that God would soften the hearts of family, clan, and government leaders so they would be open to hearing the Gospel and understand how much God loves and values them. Pray that they would want to follow Jesus.
Week 3:	OCTOBER 12-16 – PRAY FOR MINISTRIES IN SUB-SAHARAN AFRICA
MON 12	PRAY for the Training of Trainers course that we are providing that begins today in Nairobi, Kenya. Our team loves to teach people how to use media and community development to share the Gospel with unreached people. At the same time, we love empowering more people to become trainers themselves because there is such a tremendous need for training throughout our region.
TUE 13	PRAISE God for the progress on the new radiation hospital building in Cameroon — Bill and Emily are pleased with the work done so far. Pray for the release of the second Linac radiation therapy machine, which has been stuck at the port in customs for over 3 weeks. Pray that God would protect the equipment from the high humidity that could cause corrosion to the machine.
WED 14	PRAY for the new clean water partnership we are embarking on in an area of Central Africa that is rife with insurgency and traditional evangelism is not possible. Please pray for the people we have equipped with the skills and knowledge to repair water well hand pumps and restore clean water access — serving as Gospel water mechanics!
THU 15	PRAISE God for our many local partners who are passionate about using radio, digital media, and community development to share Jesus with the unreached. Pray that God would give our radio partners wisdom in creating programs that speak to the spiritual, emotional, and even physical needs of their listeners. Pray that God would shine through them in all they do and say.

FRI 16	PRAISE God for sending us people to join our team, including Marie as our new French-speaking radio trainer! Please pray that God would send us a new missionary with administration and project coordination skills to serve with the Sub-Saharan Africa team.
SAT & SUN 17-18	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Dendi Country: Benin Population: 337,000 Language: Dendi Main Religion: Islam Evangelical: 0.0-0.1% The Dendi are one of some 65 ethnic groups in Benin, the least evangelized non-Muslim country south of the Sahara. Farming is a noble profession for the Dendi, but it is only for men. Women have gardens where they grow vegetables and fruits. Villages are comprised of people from a common male ancestor. Over 99% of Dendi are at least superficially Muslims. However, spirit possession, magic, sorcery, ancestor worship, and witchcraft are core components of their beliefs and daily practices. Pray that God would open their eyes so they would see that Jesus is above all of the spirits, powers, and rulers of darkness. Pray that the Dendi would recognize the lies they have been told and would choose to follow Jesus, who offers them the whole armor of God to withstand the evil one. Pray for the Dendi church to thrive and shine the light of the Gospel brightly for all to see.
Week 4:	OCTOBER 19-23 – PRAY FOR MINISTRIES IN NORTH AFRICA/MIDDLE EAST
MON 19	PRAY for our Arabic media partners as they share Jesus and engage in conversations with people using digital media platforms. Ask God to give our partners wisdom as they also respond to people whose sole purpose is to argue, attack, and verbally abuse followers of Jesus. Pray that God would soften hard hearts so that they would hear the truth about Jesus and choose to believe.
TUE 20	PRAISE God for what He is doing throughout the region and for the testimonies of the many people whose lives have been changed through the power of the Gospel. Pray for our Arabic media partners as they disciple new believers and incorporate them into local churches wherever possible. Praise God for the eight new in-person and online churches started so far this year.
WED 21	PRAISE God for the two new people who have answered God's call to help us with ministry leadership in the region. Ask God to give them wisdom as they explore ways we can reach even more people in North Africa and the Middle East with the Gospel.
THU 22	PRAY for our Ephraim Project Team and volunteers as they continue to build friendships and engage with English learners who are across the spectrum of openness to the Gospel. Ask God to give the team wisdom and the words to say in each conversation.
FRI 23	PRAY for the many people of North Africa and the Middle East who are disenchanted with their situation, what they've been taught, and what they see. Pray that they would seek out truth. Ask God to lead them to our partners and/or other like-minded believers and ministries in the region who will share the Good News of Jesus with them.
SAT & SUN 24-25	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Socotran Country: Yemen Population: 159,000 Language: Soqotri Main Religion: Islam Evangelical: 0.0-0.1% The Socotran live on the island of Socotra off the east coast of Somalia and the Horn of Africa. They descended from a mix of Greek, Portuguese, African, and Arab people. The Socotran speak a version of a language used for centuries in pre-Islamic Arabia. Tradition says that the apostle Thomas originally brought the Gospel to the island, but Christianity had completely disappeared by 1680. Portions of Scripture were translated in the early 1900s, yet sharing the Gospel is extremely difficult since the island is only accessible with permission from the Yemeni military. In addition, there are no regular flights, and the island is inaccessible by boat for four months each year. Pray that God, in His miraculous way, would open a door for believers to live and work on the island. Pray that God would re-establish a thriving and vibrant church among the Socotran that would be a beacon of light in the region.
Week 5:	OCTOBER 26-30 – PRAY FOR MINISTRIES IN ASIA PACIFIC
MON 26	PRAY for our team as they give training this week to local radio partners in Indonesia. The workshops will help them learn to conduct interviews that are engaging for listeners, as well as think about their audience and reaching those who are far from God.
TUE 27	PRAY for Rachel as she returns to the field to work among the Rohingya. Pray for the situation in that country, which has become increasingly hostile and led to the temporary closure of the learning center. Ask God to guide our steps and clear a path forward.
WED 28	PRAY for Asia Pacific team members as they travel to different places to do ministry. Pray for health, safety, and that the equipment they carry would pass smoothly through customs. Pray they would accomplish all that God has prepared in advance for them to do.
THU 29	PRAY for Nepal and the aftermath of the August 26th disaster that resulted in over 8,000 people missing or confirmed dead. Pray for the light of the Gospel to be seen through the actions of God's people. Our engineer "happened" to arrive the following day to work on previously scheduled projects. He and a local radio partner traveled to the affected area where they provided equipment to a secular station and helped them resume broadcasting. As a result, that station is now airing 30-minute Gospel programs.
FRI 30	PRAISE God for a recent gathering of believers and like-minded ministries who are working to reach the Rohingya people with the Good News of Jesus. Pray that the spirit of unity in prayer and purpose would lead to ways we can collaborate with others.
SAT & SUN 31-1	WEEKEND PRAYER FOR UNREACHED PEOPLE GROUPS Tay Country: Vietnam Population: 1,906,000 Language: Tay Main Religion: Ethnic Religions Evangelical: 0.0-0.1% The Tay were once master hunters, but today they are mostly peasant farmers working on community (or collective) farms growing wet rice and other crops. The Tay worship a multitude of gods associated with earth, water, fire, and important ancestors. The Tay are also animists who worship many other ghosts and spirits that occupy non-living objects. Pray that the Tay would recognize that Jesus is the one they should worship and that He can free them from their spiritual bondage. Pray that God would call people to go and share Christ with the Tay. Pray that the Holy Spirit would soften their hearts to hearing the story of Jesus. Pray that God would encourage and strengthen the few Tay believers and empower them to boldly proclaim the Gospel.
