BEYOND

ANNUAL IMPACT REPORT

LOOK WHAT GOD HAS DONE!

PSALM 66:5

“Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness.” **MATTHEW 9:35**

“Every man, woman, and child should have the opportunity to hear the Gospel.”

DEAR FRIEND OF REACH BEYOND,

The Gospels describe how Jesus went to all the towns and villages. He proclaimed the Good News. He healed the sick. He made disciples, and He taught people how to follow Him. Jesus showed us practical ways to share the Gospel with the unreached that remain just as relevant in global missions today.

We believe that every man, woman, and child should have the opportunity to hear the Gospel. Jesus tasked each of us, as part of the Body of Christ, to work together to carry out His Great Commission. As a result, Reach Beyond's ministries are highly intertwined with other like-minded, but independent partner ministries all around the world. We multiply our efforts by working together as one. We share our people, our knowledge, our resources, and we co-labor alongside believers who are passionate about reaching people in their communities.

As you read through this impact report, I hope you will be encouraged and join us in praising God for all that He has done.

May God fill you with joy as you walk with Him today.

A handwritten signature in black ink that reads "Daniel Enns". The signature is stylized with a long horizontal line extending from the end.

Daniel Enns

PRESIDENT

OUR VISION

To see unreached people transformed in Christ

OUR MISSION

Serving as the voice and hands of Jesus, we declare and demonstrate Jesus Christ through media, healthcare, and community development.

OUR BACKGROUND

Reach Beyond began in 1931 in Quito, Ecuador as HCJB, the world's first missionary radio station. God gave our founders a monumental vision to reach the whole world by radio and, in time, to add healthcare ministries to meet the physical and spiritual needs of the people around them. They were determined to use any available method, tool, or technology in "Heralding Christ Jesus' Blessings" and making disciples of all nations.

REACH BEYOND

THE VOICE OF JESUS

We declare and proclaim the Good News of Jesus using whatever tools are appropriate, including traditional broadcast radio, online media, satellite, television, mobile apps, and social media.

THE HANDS OF JESUS

We demonstrate the Gospel and the love of Christ through medical ministries, community development and clean water projects, and by meeting other tangible needs.

TOGETHER

As part of the body of Christ, we work alongside and partner with local believers, churches, and like-minded missions organizations to declare and demonstrate the Gospel to unreached people everywhere.

REACH BEYOND COUNTRY OFFICES

RB AUSTRALIA* delivers messages of hope to isolated communities throughout Asia Pacific using media and community development. They use shortwave and digital technologies to broadcast or distribute the Gospel in 25 languages.

RB NETHERLANDS* provides training in community development and technical expertise for potable water, sanitation, and greenhouse projects around the world.

RB NEW ZEALAND* is engaging the digital generation online and via mobile apps. They are dubbing the comic-format SuperBible in many different languages and have developed the Sheep Station, a small portable Wi-Fi server that distributes Christian content.

RB SWEDEN* has deep relationships with ministries in Russia and Central Asia. They engage in community development and have provided ongoing training and sponsorship of radio broadcasts, a missionary training center, and a rehabilitation center.

RB UNITED KINGDOM* mobilizes believers for overseas missions and leads Reach Beyond's outreach to refugees and asylum seekers in Europe. They are directly involved in community development, producing Share English materials, and producing Gospel radio content for mainstream media outlets in the UK.

FAITHFUL SERVANTS

OUR PEOPLE

Reach Beyond is a diverse team of people with a wide variety of skill sets, coming from different countries and cultures and working together as the body of Christ. We serve each other, our partners, and the local church.

God has placed us all over the world to be His "salt and light." We use our gifting to help declare and demonstrate the Good News of Jesus to unreached people and make disciples. We share our knowledge and invest in others, working alongside believers and the local church and equipping and empowering them to reach their own people with the Gospel.

IMPACT STORIES

LOOK WHAT GOD HAS DONE

2

MIDDLE
EASTERNS

Through The Ephraim Project, faithful missionaries and volunteers had the joy of seeing two Middle Eastern English learners **choose to follow Jesus.**

“...choose to follow Jesus.”

“I really thank you for this opportunity that you have granted me that **the Gospel can finally reach my people**, my ethnic group through media.”

– West African student who received a media training scholarship from Reach Beyond

6

STUDENTS

All six students in this year's Central Asia media training program **became followers of Jesus.**

“...became followers of Jesus.”

“Good Shepherd Radio is being embraced by the entire community,” reports Pastor Tee, the station manager. This brand-new West African station’s **broadcasts can be heard clearly in surrounding villages and in a neighboring country.**”

20
PRINT AND
AUDIO BIBLES

Berber Christians in North Africa received 10 print and 10 audio Bibles translated into their heart language. The first person to receive an audio Bible was **thrilled to hear Scripture in their own language!**

“...thrilled to hear Scripture in their own language!”

VOICE + HANDS
TOGETHER

TOGETHER WE SERVE IN

MEDIA

Reach Beyond's media ministries around the world span a wide range of platforms and audiences. Whether through land-based radio, television, internet broadcasting, websites, or social media, we proclaim God's Word to the nations, meeting the spiritual needs of each unique audience. Some of our stations and media partners focus on encouraging and teaching believers in countries and regions with limited Christian resources. Others focus on "pre-evangelism," preparing unreached peoples to open up and receive the Gospel. This approach requires creative media strategies designed to break down walls of hostility and introduce important biblical concepts.

LIGHT TO THE NATIONS

Villages in Ghana are hearing the Gospel through mini "radio stations" mounted on solar-powered multipurpose poles. These poles power streetlights, phone chargers, and a small Wi-Fi server containing all sorts of Christian content that users can download directly to their phone. The initiative is led by local partner Theovision in cooperation with Reach Beyond New Zealand and our team in Sub-Saharan Africa.

CENTRAL ASIA

PREPARE THE WAY OF THE LORD

Proclaiming the Gospel in the former Soviet Union often requires extensive pre-evangelistic prep work among people who are either unaware of or hostile toward anything related to Christianity. In Central Asia, Reach Beyond and ministry partners are breaking ground with innovative media outlets like Young Lifestyle Media* (YLM).

Daniil* founded YLM with a primary focus on preparing the spiritual soil in the country where he works. He created YLM as an online media presence that introduces young people who are either unfamiliar with or uninterested in spiritual things in a context that they understand. Through web articles, videos, and other resources, the YLM team presents biblical concepts to their audience then engages with their readers and viewers through the website's comments sections.

One commenter, Anatoly*, shared a common sentiment. He said, “Thanks for your site. I visit it at least once a day. Good and inspiring articles, and I find the discussions good as well.” Much of YLM’s content covers current events, technology, and sports, but a noteworthy portion addresses issues young people often face, such as the meaning of life, navigating relationships, and thriving in the workplace. YLM articles and videos offer wisdom, insight, and advice on these issues based on biblical principles, providing their audience with an anchor few have encountered in their lives.

Despite focusing primarily on “preparing the soil” for planting Gospel seeds, Young Lifestyle Media was blessed in 2022 with a short yet heartening comment from Nastasia*. She said, “I became Christian through your site. Thanks!”

TOGETHER WE SERVE IN

HEALTHCARE

Reach Beyond's medical ministries provide sick and hurting people with a level of healing the world cannot supply. Our medical missionaries reveal the heart of the Great Physician when they render medical treatment and holistic care to a patient or demonstrate Christ's love to the unbelieving professionals working beside them. Our doctors, nurses, and other healthcare professionals deliver quality care and medical education through clinics, mobile medical caravans, in-home visits, and classes. These settings provide our missionaries with opportunities to share the gift of spiritual healing through the Gospel of Jesus Christ.

CENTRAL ASIA

LOOKING FOR HEALING

Yasmeen* first met Reach Beyond medical missionaries in Central Asia a few years ago. As a young medical student, she joined the residency program run by the staff at Living Hope Clinic*, a Reach Beyond-run medical clinic. Although not a Christian, Yasmeen soon noticed and experienced the love of Jesus demonstrated by clinic staff members. Before long, a clinic staff member invited her to attend church with them.

During her residency, she encountered a heartbreaking situation in her personal life. Dr. Dennis*, a Reach Beyond missionary, offered to pray for her, and Yasmeen agreed, despite telling him that she did not believe in God. After finishing her residency, Yasmeen completed her degree then began her required government service.

In August 2022, now-Dr. Yasmeen returned to Living Hope Clinic as a staff member eager to learn and to provide quality patient care. Within months of starting, she discovered that she was suffering from significant depression. After the hardship during her residency, her husband began seeing other women. Now, they were on the brink of divorce, and Dr. Yasmeen did not know what to do. Dr. Dennis and believing clinic staff members were again able to pray for Dr. Yasmeen and ask her questions that led to important conversations about the Great Physician.

Dr. Yasmeen has not yet accepted the God of All Healing, but He is working in her life. Through believing clinic staff members, He is stirring up new questions within her and providing faithful witnesses to point her to Him.

MBINGO BAPTIST HOSPITAL RADIATION CENTER

Reach Beyond engineers are helping build a new radiation treatment center in Cameroon, the only one of its kind within a nine-hour drive. The team assisted with a new hydroelectric facility that provides reliable power to the hospital. This co-laboring effort supports the proclamation of the Gospel inside the hospital walls.

“...but He is working in her life.”

PARTNER MINISTRY

SUB-SAHARAN AFRICA

TOGETHER WE SERVE IN

COMMUNITY DEVELOPMENT

Reach Beyond's community development efforts mirror Jesus' model of meeting felt needs to pave the way for spiritual conversations. We partner with local churches and ministries in demonstrating the love of Jesus through service so that we can proclaim His love to people who have never heard His name. Providing clean water, sanitation and basic hygiene training, plastic recycling tools, and solar-powered light and power to those who lack such resources opens doors for our missionaries and partners to engage unreached people. These engagements take place in locations where relationships would be difficult or even impossible to establish otherwise.

LIVING WATER MULTIPLIED

In rural West Africa, water wells provide life and serve as a conduit for Living Water. Reach Beyond missionaries Wim and Alfred worked with Henri*, founder of partner ministry Shining Light*, to host community development training sessions for local pastors in West Africa. Shining Light is an indigenous ministry that identifies isolated villages in need of clean water and nearby churches committed to helping install wells and disciple villagers.

Before their training, many pastors were nervous about community development. They worried that a well project would require them to plant a new church, preventing them from caring for the congregations they currently shepherd. Through the training, they learned that properly implemented community development ministry will allow them to reach nearby communities of unreached people while still having the time, energy, and resources to properly care for the flocks God has already entrusted to them.

For their first session, Wim, Alfred, and Henri anticipated a maximum of 50 pastors. Instead, God brought more than 75 attendees! Each pastor learned the principles of effective community development ministry and developed an understanding of how to use such projects as vehicles for evangelism and church planting. The impact of this training session alone will be felt for generations in West Africa!

**names changed for security*

TRASH 2 TREASURE

Trash 2 Treasure is ready to be deployed among unreached peoples. The program employs low-tech shredding and molding machines to create useful products from plastic waste. The team has created training materials that teach end users how to operate the machinery and use it to demonstrate the transformative power of the Gospel.

REACH BEYOND MINISTRY

NORTH AFRICA/MIDDLE EAST

IS GOD CALLING YOU?

OPPORTUNITIES TO SERVE

Carrying out the Great Commission is an immense task that requires many different people equipped with diverse skills working together. God has given each of us specific gifts, talents, abilities, and passions to accomplish His purposes. At Reach Beyond, we have a broad range of immediate needs as well as ongoing needs in all areas. If you sense that God is leading you to serve in global missions, we would love to come alongside you in your missionary journey.

LONG-TERM

Invest your life experience, passions, and God-given skills to help advance the Gospel and make disciples among the nations. Reach Beyond will walk alongside you and help you prepare for each step of your missionary journey, whether God leads you to serve for a couple of years or as a career.

SHORT-TERM

Provide compassionate care for unreached peoples living in refugee camps, teach English to eager students, care for children at risk, serve in a clinic or a medical caravan, or assist with a media project. We can match you or your church to meaningful ways to serve for a couple of weeks to a full year.

VOLUNTEER

Engage and build friendships with people around the world who want to improve their conversational English. You can volunteer a few hours a week or month using your computer or mobile device.

COME SERVE WITH US!

“Go, therefore, and make disciples of all nations...”

“Go, therefore, and make disciples of all nations, baptizing them in the name of the Father and the Son and of the Holy Spirit, teaching them to observe everything I have commanded you.”
